

ROSS REBAGLIATI

Olympic snowboarder Ross Rebagliati has joined the Road Hockey To Conquer Cancer team!

After turning professional in 1991, Ross Rebagliati further honed his snowboarding skills and at the 1998 Winter Olympics, took the gold medal. Unfortunately, his urine test indicated THC in his system and he was automatically disqualified. That decision was

overturned when it was argued that marijuana was not on the list of banned substances at the Olympics, and Ross had his gold medal returned to him. Rebagliati received full-page coverage in the July 14, 2008 issue of Sports Illustrated, which chronicled his life after the Olympic victory.
